

“This is Your (Teen’s) Brain on Drugs”

The Commack Coalition of Caring is proud to present an evening with **Stephen Dewey, PhD**. Dr. Dewey, a renowned neurosurgeon at The Feinstein Institute for Medical Research, has examined virtually every drug of abuse (from marijuana to heroin) and its impact on the brain function of a teen.

Come for an informative discussion about his findings.

Guest Speaker, Suffolk County First Deputy Commissioner John Barry, will discuss Suffolk County Statistics.

When: Tuesday, January 24, 2017

Where: Commack Volunteer Ambulance Corps.

200 Burr Road, Commack, NY 11725

Time: 7:00 p.m.

Light refreshments will be served.

Space is extremely limited. Registration required.
