August 31, 2017

Dear Parent/Guardian of Sixth Grade Students,

Welcome to the 2017-18 school year. We are excited to begin the new school year and look forward to building upon your child's success.

This year we were able to create an independent learning time for the sixth grade students to help support the chrome book initiative. This independent learning will take place after the student's lunch period, during sixth period, four days a week for 20 minutes. During this time, sixth grade students will be able to work independently on their chrome books to access reading material, work on assignments/missing assignments and further their enrichment.

The BMS staff is committed to providing the support and opportunities for student success. We look forward to a successful 2017-18 school year.

Respectfully,

Dr. Colson
Principal, Bellport Middle School
