Sea Scouts have fun on the water.

They sail, row, scuba dive, water ski, whitewater raft, drive a power boat, and more!

Sea Scouts sail the Caribbean, navigate the waters of the Pacific, and compete in an international regatta against dozens of other countries to defend the United States' undefeated title.

Do you smile when you think of crashing through waves?

Are you energized by thoughts of preparing a crew to cruise?

You can experience the thrills of a lifetime. Join a Sea Scout Ship, and let the world know you are ready to...
