3. STATEMENTS FROM THE BOARD PRESIDENT

Board of Education President Gregory Miglino apologized to residents of the Jewish Faith through the following prepared statement:

Statements from Board President

“Before we start the meeting tonight, I would like to open by apologizing to members of the Jewish faith that are beginning the celebration tonight of a holy day known as Yom Kippur. When the district calendar was developed last year, several requests were made by the Board that the schedule is reviewed and vetted to avoid these types of conflicts.

In the end it did not happen in the way the Board would have liked. As a result, the Board attempted to coordinate another meeting in a timeframe that would not interrupt the business of the district. After numerous communications among Board members, we were unable to put a meeting together that would permit everyone to

become involved. I continued this dialogue with members until today, hoping it could be worked out. It was not possible.

On behalf of the Board, I wish to extend to all members of the Jewish faith a happy New Year.”

Mr. Miglino also read the following prepared statement from Board member Barbara Schatzman who is absent tonight in observance of Yom Kippur:

**Barbara
Schatzman's
Prepared
Statement**

“Every Board meeting is important. In addition to input from the community and presentations and discussions among Board members, many votes are taken. Every one of them is important because eventually they will all affect our students. However, not every vote is remembered, except for a very specific one – the vote on the adoption of our district’s expenditure budget; and therefore also the tax rate, which will be voted on tonight.

Based on past experience, I know that many people remember who voted yea, who voted nay, and who was not present for the vote. I want everyone to know that I am not present tonight because Yom Kippur started at sundown; and, in observance of the holiday, I cannot attend the meeting. I would therefore like the minutes to reflect the reason for my absence so as to preclude any questions about why I did not participate in this vote. Thank you.”

4. PUBLIC PARTICIPATION

**Public
Participation**

Michael Bilecki: apologized to the Board for his comments/statements at the last Board meeting; said they were totally inappropriate and that he also sent a letter of apology to the Board and the superintendent; Mr. Bilecki read a prepared statement apologizing to the Board.

Ron Kinsella: Q re: an item on August 27, 2008 agenda: the Board accepting a Medicare Part D refund...? and Q re: location of the agenda on the website?

Gregory Miglino: in his response, stated that the district received the Medicare Part D funds as part of a settlement; in response to the website posting, Mr. Miglino stated that the website is being upgraded [given a face-lift].

Ron Kinsella: Q re: responses to email inquiries made via the district’s website?

Response: Gregory Miglino: the Board receives a large number of email messages; and that a standard response letter has been developed – one that refers inquirers to the superintendent of schools for responses.

Ron Kinsella: Q re: affect of the Stock Market on the district, if any?

Gregory Miglino: New York State has stakes in the stock market; but not the school; unfortunately, the trickle-down affect is of concern to the County of Suffolk

Ron Kinsella: Q re: the use of Caithness money for education and tax abatement?

Gregory Miglino: The Caithness money can be used for salaries; salaries are part of education

Leslie O’Connor: Q re: whether tax dollars is spent to investigate Mrs. Huffine? and Q whether a ceiling has been set on the amount of money to be expended for this purpose, and if not, it should be considered?

Public Participation [Cont'd]

Gregory Miglino: engagement in public dialogue on this subject is limited; however, two-hundred dollars have already been spent; no ceiling has been set; but the Board takes no frivolous actions, has budgeted a certain amount for legal fees; and it must take action on issues that are put forth.

Gregory Miglino: spoke of restoring nine TA positions and some teachers [High School]

Toni Huffine: disagreed with Mr. Miglino’s account of how much money has been expended to date for legal fees pertaining to the investigation; said the firm hired by the Board, charges \$225 per hour and that to her knowledge, it has already accumulated at least 10 hours of billing time; said legal fees have not be budgeted for this purpose. Mrs. Huffine also stated that removal of a Board member should be handled by the Commissioner of Education.

Gregory Miglino: in response, stated that the previous statements are the opinion of Mrs. Huffine

Kelly Olsen: [Dancing Coach]: addressed the Board about time restraints pertaining to the Dance Team’s trip in March 2009; stressed that students will only miss one day of classes.

Gregory Miglino: this item is scheduled to appear on the agenda on October 22nd; will speak with John Frankie
